

HOW NOT TO GET MAD: A FUNNY STORY

Instructions

You are a school student in 4th grade. Start at the beginning paragraph. Chose where to go after reading the light gray italics. If it says you lose, you have to try again. This is supposed to be funny.

START HERE

You are in the computer lab. You have nothing fun to play. Now you go to a different website that's not listed.

You can either go to [FunnyOldMan-Bozo.com](#) or [Cool-GSM-Games](#).

COOL GSM GAMES

You play Kill the Cow, but you get bored. Now what should you do?

You can either play another game, or draw a picture of Old Man with paint.

FUNNYOLDMAN.COM

The website's cool and you stay on for a while. You laugh at the Old Man pranks and funny photos. But then it's time to leave.

You can either stay on the computer or leave like the rest of the class did.

OLD MAN IN PAINT

Too bad, your picture doesn't look too good. So you erase to start over. But then you get mad about how you can't draw good. You get so mad that your head blows up.

You lose the game!

PLAY ANOTHER GAME

LEAVE THE COMPUTER LAB

That's so boring. So you got mad. And madder, and more mad until your face get's red. "Why is computer class so lame?!" you shout. Then your head blows up.

You lose the game!

STAY ON THE COMPUTER

You decide to keep looking at Old Man. The 5th grade class comes in and makes fun of you for looking at Old. Then a fat student runs to you and is about to hit you!

You can either get bullied or tell Ms. Folgolson about the fat student.

GET BULLIED

Everyone knows it's a bad choice to get bullied and not tell an adult. But now there's very bad news. The bully that hit you was only told to sit down. But you get in trouble instead.

You can either tell Ms. Folgolson about the fat student or run away to a basketball game.

TELL THE TEACHER

You tell the teacher. But Ms. Folgolson doesn't punish the bully, instead she sends you to the office for staying in the lab after your class left. But you get mad at the principal. The principal yells at you. You get madder and madder until your head blows up.

You lose the game!

RUN AWAY TO AN NBA GAME

The NBA stadium is only $\frac{3}{4}$ of a mile from school. You sneak out of the computer lab and run to see the basketball match. Unfortunately, the game is adults-only.

You can either call Old Man on the phone for help or go back to school.

TALK TO OLD MAN

Old gets mad at you for running away from school. He says he'll come catch you if you don't return.

Your only choice is to return to school.

GO BACK TO SCHOOL

Old is waiting at the front door. "You'll get expelled after another incident like this," he hollered. It turns out that Old Man is actually the real principal.

You can either return to class or tell him about FunnyOldMan.com.

RETURN TO CLASS

You joke around with your friend about Old Man in class. Ms. King calls you up and asks, "Why were you late for class? This'll be a 10-dollar debit." You get mad and argue, but you get madder and madder until your face gets red. You yell and scream, but your head blows up again.

You lose the game!

TELL OLD ABOUT FUNNYOLDMAN.COM

Old expels you. You tell him not to do that but he says he has no choice. So you leave the school to walk home, but the same fat kid blocks your way. He's ready to hit you again! What'll you do?

You can either hit the fat kid back or return to class again (above).

HIT THE FAT KID

But Old sees you and he breaks the fat kid and you apart. You feel yourself getting mad. What do you do?

You can either continue to get mad or restart this game at the computer lab (above).

GET MADDER

Your face gets red. You start punching. You get so mad that your head blows up.

You lost the game!
